Braven Health

Braven Medicare Choice (PPO)
Braven Medicare Freedom (PPO)

This Pharmacy Directory was updated on 04/01/2024.

For more recent information or other questions, please contact Braven Health at **1-855-457-0222 (TTY 711)**, seven days a week, 24 hours a day, or visit [BravenHealth.com/find-network-pharmacies](https://www.BravenHealth.com/find-network-pharmacies).

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our web site at [BravenHealth.com/find-network-pharmacies](https://www.BravenHealth.com/find-network-pharmacies). You may also call Member Services at **1-855-457-0222 (TTY 711)** for updated information.

Introduction: This booklet provides a list of Horizon Blue Cross Blue Shield of New Jersey's network pharmacies. To get a complete description of your prescriptions coverage, including how to fill your prescription, please review the Evidence of Coverage and Braven Medicare Choice (PPO), and Braven Medicare Freedom (PPO)'s formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Braven Medicare Choice (PPO), and Braven Medicare Freedom (PPO) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **April 2024**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with "SAVE" to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for New Jersey, including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at **1-833-272-8360 (TTY 711)**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Braven Health.

Pharmacies are listed alphabetically by city and by type of pharmacy. The types of pharmacies in this directory appear in this order:

- Mail Order Pharmacy
- Chain Pharmacy
- Retail Pharmacies, Including Chain Pharmacies
- Long-Term Care Pharmacies
- Home Infusion Pharmacies
- Specialty Pharmacies

Under each listing we also list additional pharmacy features. These features are identified on each page with the following key:

- **SAVE** = Preferred cost-sharing. Drugs from these pharmacies may cost less than other pharmacies in our network.
- **90** = 90-day supply. These are retail pharmacies that offer an extended (90- day) supply of medications.
- **90+SAVE**= 90-day supply with Preferred Cost Sharing. Drugs from these extended supply pharmacies may cost less than other pharmacies in our network.
- **24HR** = Pharmacy is open 24-hours.
- **eRX** = Pharmacy accepts electronic prescriptions from prescribers.
