

Definition of specialty medications: Specialty medications are generally prescribed for people with complex or ongoing medical conditions such as multiple sclerosis, hemophilia, hepatitis C and rheumatoid arthritis. These high-cost medications also have one or more of the following characteristics: injected or infused, but some may be taken by mouth; unique storage or shipment requirements; additional education and support required from a health care professional; and usually not stocked at retail pharmacies.

Notice of Nondiscrimination and Accessibility

At Blue Cross and Blue Shield of Minnesota and Blue Plus, we treat everyone fairly. We don't exclude you, or treat you less favorably, because of your race, skin color, national origin, age, disability status, or sex (including sexual orientation; sex characteristics including intersex traits; pregnancy or related conditions; gender identity; and sex stereotypes). We follow federal civil rights laws and don't discriminate against anyone based on these traits.

If you communicate best in a language other than English, you can request free language assistance services.

If you have a vision, hearing, or speech impairment, we can communicate in a way that works best for you. This may include using sign language interpreters, providing documents in large print or Braille, audio recordings, or other aids at no charge.

Need these services? Call **1-855-903-2583**, TTY **711** or call the number on the back of your member identification card.

Discrimination is against the law.

If we failed to provide services or discriminated in another way based on your race, skin color, national origin, age, disability status, or sex, (including sexual orientation; sex characteristics including intersex traits; pregnancy or related conditions; gender identity; and sex stereotypes), you can file a complaint by contacting our Nondiscrimination Civil Rights Coordinator:

Email: Civil.Rights.Coord@bluecrossmn.com
Telephone: 1-800-509-5312
Mail: Blue Cross and Blue Shield of Minnesota
ATTN: Civil Rights Coordinator P3-2
PO Box 64560, Eagan, MN 55164-0560

Nondiscrimination complaint forms are available on our website at bluecrossmn.com/NDL, or from the Nondiscrimination Civil Rights Coordinator.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services

- electronically through the Office for Civil Rights complaint portal:
ocrportal.hhs.gov/ocr/portal/lobby.jsf
- by mail at: U.S. Department of Health and Human Services,
200 Independence Avenue SW, Room 509F, HHH Building, Washington, D.C. 20201
