

Blue Cross and Blue Shield of Wyoming

Prime Therapeutics Specialty Pharmacy Drug Management List

Definition of specialty medications: Specialty medications are generally prescribed for people with complex or ongoing medical conditions such as multiple sclerosis, hemophilia, hepatitis C and rheumatoid arthritis. These high cost medications also have one or more of the following characteristics: injected or infused, but some may be taken by mouth; unique storage or shipment requirements; additional education and support required from a health care professional; and usually not stocked at retail pharmacies.

Non-Discrimination Notices

Blue Cross Blue Shield of Wyoming (BCBSWY) does not discriminate on the basis of race, color, national origin, sex, age, or disability in its health programs and activities.

BCBSWY provides appropriate auxiliary aids and services, including qualified interpreters for individuals with disabilities and information in alternate formats, free of charge and in a timely manner, when such aids and services are necessary to ensure an equal opportunity to participate to individuals with disabilities.

BCBSWY provides language assistance services, including translated documents and oral interpretation, free of charge and in a timely manner, when such services are necessary to provide meaningful access to individuals with limited English proficiency.

In order to obtain the interpretation services listed in paragraphs two (2) and three (3), Participants may call (800) 442-2376 or use BCBSWY's Telecommunications Device for the Deaf (TDD) at (800) 696-4710.

Participants have the right to file a grievance regarding potential discrimination. To file a grievance, please call BCBSWY at (307) 634-1393 or (800) 442-2376 and request the Grievance Officer in the Legal Department or mail a letter describing the grievance to 4000 House Avenue, Cheyenne, WY 82001 to the attention of the Legal Department.

If a Participant believes they have been discriminated against because of their race, color, national origin, disability, age, sex or religion, the Participant may file a discrimination complaint with the Office of Civil Rights. Please visit www.hhs.gov/ocr for directions to file a complaint.
