Pharmacy law may permit pharmacists to substitute a less expensive FDA-approved generically equivalent medication for a brand-name medication unless you or your prescriber indicate otherwise. Some health plans require the patient to pay the difference between generic and brand name cost.

By returning this form to PrimeMail, you consent to the release and use of the patient's health information to the patient's health plans and health care providers/agents for health benefits management. Prime Therapeutics' use or disclosure of individually identifiable health information, whether furnished by you or obtained from other sources such as medical providers, shall be in accordance with federal privacy regulations under HIPAA (Health Insurance Portability and Accountability Act of 1996).

PrimeMail may contact your physician for clarification and safety purposes, which may result in your physician prescribing a different, clinically appropriate product.
