

Rx90 (Maintenance) Drug List

Source Rx 2.0

Effective January 1, 2017

Below is an alphabetical list of maintenance (long-term) drugs that may be available as part of your pharmacy benefit. Please note that generic drugs are available for many of the brand-name drugs listed. Due to the large number of products available, some oral contraceptive drugs may not be reflected.

Some strengths and/or formulations of the drugs below may not be covered. Please refer to your benefit materials for coverage details and the plan website for current information. This publication is subject to change without notice.
