

Rx90 (Maintenance) Drug List

Source+Rx 2.0

Effective January 1, 2017

This list is subject to change without notice. Please note that generic drugs are available for many of the brand-name drugs listed. Some products noted as generics may not have generics for every strength.

Listing of oral contraceptives: Oral contraceptives are a part of this list and included in the benefit. Please note, due to the large number of brand names, this list may not reflect all available brands.
